Holy Spirit School Annual 5K Spirit Run

This year marks the 11th anniversary of our annual 5K Spirit Run to benefit the Holy Spirit Catholic School Resource Program and Expanded Services. Holy Spirit School supports students with mild to moderate disabilities requiring resource assistance in the areas of ADHD, autism, dyslexia, intellectual disabilities, and other special needs.

The annual 5K Spirit Run is an important funding source for making inclusive Catholic education accessible to children with special needs at Holy Spirit School. Each year, we strive to raise \$25,000 to assist with additional costs required for licensed special education professionals, continuous professional development for our staff, and classroom materials.

The 11th annual 5K Spirit Run will be held in the neighborhood surrounding Holy Spirit School and Church on May 16, 2026. We can achieve our financial goal with the support of our community through sponsorships and donations. Your generosity will help cover the cost of the events, allowing the profits from race registrations to benefit Holy Spirit School's Resource Program and Expanded Services directly. If you decide to sponsor us, we'd like to offer you and your business promotional opportunities to thank you for helping our students.

Please see the enclosure for more information on sponsorship opportunities and other ways you can help us continue to make inclusive education possible at Holy Spirit School.

We are grateful for your support and consideration.

After a decade of success, we are pleased to share that the 5K Spirit Run to benefit the Resource Program and Expanded Services now falls under the greater Holy Spirit School Annual Fund which supports this program in addition to capital improvements, safety and security, and tuition assistance. Your sponsorship of or donation to the 5K Spirit Run will be restricted to this event.
