Catholic Schools Week 2018
January 28-February 2

Open House for 2018 will be held
Sunday, January 28 from 1:00-2:30 PM

Why a Catholic School?

Parents choose Catholic schools for their children because they emphasize academic enrichment and moral and spiritual development.

Catholic schools provide an education that goes beyond preparation for a secular life. They produce students dedicated to their faith, values, families and communities by providing an intellectually stimulating environment rich in spiritual and moral development.

Commitment to service is a core value of Catholic schools. Catholic school students learn what it means to serve-giving their time, talents and efforts to help others both as an expression of faith and good citizenship.

Prospective families may contact the school any time for a tour. 703-978-7117
