Stewardship Report FY 2024

10/01/23 - 09/30/24

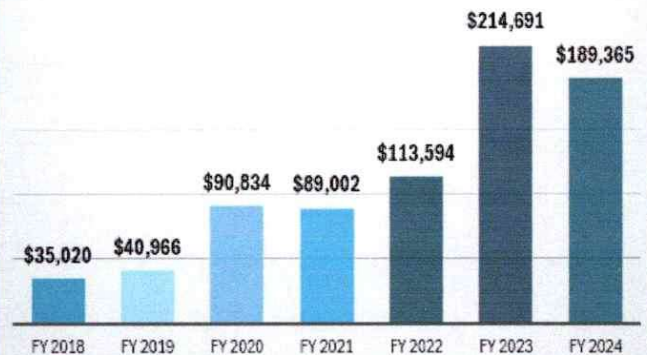

Dear Friends and Benefactors,

Thanks to the generosity of our parish, parishioners, friends, and conference members, during the last fiscal year, we were able to provide financial assistance to 2,797 neighbors. Aided by our volunteer translators, thirty Vincentians provided 7,500 hours of person-to-person service in the six zip code areas we serve in Annandale, Burke and Fairfax – driving over 6,600 miles to do so. Your prayers and support made this possible. On behalf of all those we have been able to assist, **THANK YOU!**
