NOTES:

- 1. Restaurants need to be checked out for suitable areas for our group and separate check availability. Restaurants that are desirable and will not give separate checks will require several people to reconcile the bill. In winter months, dates are subject to change because of weather conditions.**
- 2. If anyone would like to assist any leader, please volunteer to that person directly. There should be at least two people handling an activity.**
- 3. Each team leader will furnish all details to all members regarding their activity well in advance of dates specified. This will allow members to make a decision as to whether or not they want to attend. Please mark your calendars accordingly.**
- 4. Indicator after activity is as follows: CP = Car Pool; B/V = Bus or Van**
- 5. Please remember once you sign up for an activity that will use a bus or van, your money cannot be refunded.**
- 6. This activity schedule was developed (with input from others) by Pat Kelly, Liz Motsko, Dolores Potosnak, Rita Rogers and Bernie Polanin your Activity Planning Committee.**
- 7. If you have any questions please contact Bernie Polanin, 703-256-5212.**
